## BASIC STATISTICS IN MULTIVARIATE ANALYSIS (PAPERBACK)

Oxford University Press Inc, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. The complexity of social problems necessitates that social work researchers understand and apply multivariate statistical methods in their investigations. In this pocket guide, the authors introduce readers to three of the more frequently used multivariate methods in social work research with an emphasis on basic statistics. The primary aim is to prepare entry-level doctoral students and early career social work researchers in the use of...
